Please tell them you are an ECOH member with Select Solutions.

We've got you covered.

****Please note - High Deductible Plans:**
Benefits do not start until the deductible is met.

Outpatient Surgery

To arrange for a surgeon and surgery at Rockford Ambulatory Surgery Center (RASC)....

If your surgeon is not a Select Solutions provider, please have the provider refer you to a Select Solutions Provider or contact ECOH or your Third Party Administrator (TPA) for a Select Solutions provider.

The surgeon will contact your TPA for benefits and pre-authorizations. The TPA should verify with the provider and give Select Solutions authorization to RASC for benefits.

If you are unsure or have questions if your procedure has been registered as Select Solutions, is a covered Select Solutions procedure or need assistance to ensure your Select Solutions procedure is confirmed prior to your day of surgery, please contact ECOH at 779-774-4203 or email selectsolutions@ecoh.email for assistance.

Please Note: RASC must have your procedure registered as Select Solutions prior to the day of surgery to be covered under the Select Solutions benefit.

****Failure to follow procedures can cause loss of Select Solutions benefit.***
